

PW-3624 Includes:

- MSB3624 Molded Stone Basin
- MSG3624 Stainless Steel Wall Guard
 - One (1) piece 36" x 12" and one (1) piece 24" x 12" Wall Guards and L-bracket
- PRIER C-108DCC Hot & Cold Wall Hydrant
- QDC3XH Rubber Gasket
- Garden Hose Sprayer with built in Soap Dispenser
- 5' Stainless Steel Hose
- Hose Hook
- Stainless Steel Strainer
- Lint Basket
- Leash Hook and Carabiner

Features

- The basin has 10" high walls for added splash protection. The stainless steel drain body is designed for a caulk joint or use included QDC3XH gasket to quickly connect to a 3" PVC drain pipe
- Wall guards protect your walls from overspraying and splashing of soap and water
- The PRIER C-108DCC is 2-1/4" deep with 1/2" MPT x 1/2" SWT D-style inlets, anti-siphon vacuum breaker with back flow preventer and a swivel elbow to adjust direction to prevent hose kinks
- The garden hose sprayer has 8 settings and a built in soap dispenser
- The stainless steel strainer is easily installed with a twist and lock design
- Lint basket prevents pet hair from clogging the drain and has a grab bar to easily remove and clean
- Made in U.S.A.
