

# 889CCSHELF

## Stainless Steel Shelf

Turn any cramped janitor's closet or utility room into a clean, efficient workspace with the 889CCSHELF. Its ultra-low-profile wall mount lifts mops, chemicals, and tools off the floor, clearing safe, walkable space around mop sinks and service basins. Staff get quick, intuitive access to the gear they use most—so clutter disappears, tripping hazards drop, and teams work cleaner, faster, and smarter. When square inches matter, count on Fiat.

### PRODUCT FEATURES

- 18 Gauge (0.05") 304 Stainless Steel with #4 brushed finish
- Rounded corners and edges to avoid injury
- Stainless Steel rod to hang and dry towels
- Large open Stainless Steel hooks for hanging tools, rags or other supplies
- Maximize storage space by storing cleaning products and other janitorial equipment, removing clutter from the ground
- Three spring-loaded rubber grips to hold different sized mops, brooms, or squeegee handles while drying
