

# QIC & QDC Gaskets Mop Basins & Shower Floors

FIAT offers a variety of high grade rubber gaskets for their mop basins and shower floors. The type of gasket required for your application depends on drain pipe size and material. Whether it is PVC, Cast Iron, Copper, Steel, 2" or 3", we have a gasket for your job. Once installed correctly, you can expect 30+ years of proper drainage.

**QDC** - Quick Drain Connector (designed for products with Stainless-Steel drain)

**QIC** - Quick Integral Connector (designed for Molded Stone material with integral drain)
